If Council deems grounds available for use on Saturday Mornings
Rules 3.02 & 3.03 for MWJBL Inc. 2006-2007 apply.

- 3.02** The ultimate authority on availability of a ground is the Host Club. In the event of unfit grounds or inclement weather, the Club Secretary or President shall decide on the fitness of the Club's grounds and they will advise the League Secretary or President by 8.00pm on the Friday night prior to the Saturday morning round. MWJBL Inc. (President and/or Secretary) will determine if the round is to be played.
- 3.03** If the Council and host Club consider the ground fit for play, the opposing Coaches must also agree the ground is fit for play. If the Coaches cannot agree, the Umpire shall make the decision, once the Umpire has control of the Game at the Plate Meeting. Once the Plate Meeting has commenced, the UMPIRE shall be the sole judge as to whether a Game shall continue due to playing conditions.
