## Agenda

1. Welcome
2. Apologies
3. Adoption of Minutes of the meeting of previous AGM held on 27 March 2021
4. Motion to Affiliate
5. Adoption of Club By-laws
6. President's Report
7. Treasurer's Report
8. 2021/22 Committee disbanded
9. Committee Positions – Nominations & Election for 2022/23
10. Volunteer Positions – Nominations & Election for 2022/23
11. Team Presentations
12. Presentations
  - Team Presentations – Players' Player and Coaches' Awards presented by team coaches
  - Peter Bemrose Trophy – Coach of the Year, presented by Mark Gibson, 20/21 winner
  - Paul Harradine Trophy – Player of the Year, presented by Tom Gledhill, 20/21 winner
  - Tom O'Connell Trophy – Club Person of the Year, presented by Paul Lidgard, 20/21 winner
13. Close

## Sponsors

Manly Seaside Baseball Club would like to formally thank the following firms and organisations for the generous support during the 2021/22 season. Without your generosity, we would not be able to provide the high standard of equipment, safety and facilities to our members.

**Manly Seaside Baseball Club would like to thank all of our sponsors for the wonderful support of the 2021/22 season.**

**We would encourage all players, parents and friends to continue to support the generous firms and organisations who support our Club.**

## Manly Seaside Committee 2021/22

Position	Name
Acting President	David Gledhill
Vice President Opens	Aaron Gunning, replaced by Paul Lidgard in Dec 2021
Vice President Live Ball	Gavin Cupp
Vice President T-Ball & Zooka	Brendan Donnelley
Secretary	Nicole Schipp
Treasurer	Guy Holley
Committee Member #1	Mark Gibson
Committee Member #2	Ruth Richter
Committee Member #3	Donna Armstrong
Committee Member #4	Paul Lidgard
Committee Member #5	Stephanie Lidbury

## Manly Seaside Volunteers 2020/21

Position	Name
Registrar	Ruth Richter
Canteen Co-ordinator	Paul Gunning
Gear Steward – Equipment	Paul Lidgard
Gear Steward – Uniforms	Sharon Morris
League Delegate	David Gledhill
Grounds Steward #1	Sharon Morris
Grounds Steward #2	Paul Lidgard
Grounds Steward #3	David Gledhill
Manager's Co-ordinator	Gary Highland
Coach's Co-ordinator	Vacant
Umpire's Co-ordinator	David Gledhill
Newsletter Publisher	David Gledhill
Child Protection Officer	Tara Egan
WHAS Co-ordinator	Vacant
Member Protection Information Officer	Jacqueline Rota
Website Administrator	Nicole Schipp
Social Media Co-ordinator	Greg Barnes
Social and Events	Donna Armstrong

\*\*\*\*\*

# **CALL FOR VOLUNTEERS FOR 2022/23 SEASON**

\*\*\*\*\*

As you can see from the above list, there are people in the Club who are filling multiple volunteer positions just to make sure the Club keeps going and the kids can get on the diamond each week and have fun playing baseball. Along with these people we have a fantastic group of volunteer Coaches and Managers who give up their time solely to help the kids.

**This season a number of our Committee Members and volunteers are retiring from their duties. We need new Club members to offer to help in the roles which will be left vacant. Volunteering is fun and you can really make a difference to the Club and the kids.**

You don't need to have a baseball background, just enthusiasm and a goal to get as many kids out on a diamond and having fun as possible.

**Volunteering doesn't need to be a big time commitment, it might just be ½ hour here and there during the season. Assistance is always appreciated no matter how big or small.**

If you would like to help the Seasideers continue to provide a fantastic, fun and safe sporting environment for the kids next season, please contact email [secretary@seasideers.com.au](mailto:secretary@seasideers.com.au)

## **Volunteering is rewarding**

Volunteering also has many amazing benefits aside from improving your social life. Volunteering helps to keep you healthy, physically and mentally. It helps to combat stress and anxiety, and also helps in fighting depression. Furthermore, the greatest reward to most people is the feeling of fulfilment and accomplishment that they get from helping others.

## AGM Minutes 27 March 2021

### MANLY SEASIDERS BASEBALL CLUB INC.

#### Minutes of the Annual General Meeting

Held on Saturday 27 March 2021 at 2pm

John Fisher Park - Abbott Road, North Curl Curl

- Meeting Opened:** The AGM was declared open by David Gledhill at 2pm
- Present:** A quorum of club members was achieved
- Item 1: Welcome** The meeting was opened and attendees welcomed on Facebook which included a Welcome to Country.
- Item 2: Apologies** Apologies were noted from Paul Gunning
- Item 3: Minutes** Minutes of the previous Annual General Meeting held on 26 March 2020, were adopted as a true record. They were proposed and seconded by current club members.
- Item 4: Motion to Affiliate** Motion to affiliate with MWDBA for 2021/22. Proposed and seconded by current club members
- Item 5: Club By Laws** The Club By-Laws were adopted for the next season. Proposed and seconded by current club members
- Item 6: President's Report** David Gledhill delivered the President's report The full report can be read in the AGM booklet.
- Item 7: Treasurers Report** Guy Holley delivered the Treasurer's report. The full report can be read in the AGM booklet.
- Item 8: Committee Elections** The following people have nominated for positions. Each nomination was proposed and seconded by current members.

President – no nomination

Treasurer – Guy Holley

VP Opens – Aaron Gunning

VP Live Ball – Gavin Cupp

VP T-Ball & Zooka – Brendan Donnelly

Committee Member 1 – Mark Gibson

Committee Member 2 – Ruth Richter

Committee Member 3 – Donna Armstrong

Committee Member 4 – Paul Lidgard

**Item 9: Volunteer Elections** Nominations for all volunteer nominations were accepted as there was not more than one nomination for each role

**Item 10: Nomination for Distinguished Membership**

Brent Joyce: This nomination was made by two Seaside's life members, a and endorsed by the Committee.

**Item 11: Team Players' Player and Coaches' Awards Presentation**

League	Team	Players Player	Coach's Award
U8 Teeball	Bees	Desi Casellini	Tobias Farruggio
U8 Teeball	Kites	Noah Donnelly	Max Brannan
U9 Teeball	Fire Ants	Saxon MacArthur	Leo Edmunds
Zooka	Owls	Oscar Denney	Javier Catril
Zooka	Pumas	Muku Shines	Johan Thompson, Sonny Gibson
Zooka	Wildcats	Aengus O'Hagan	Jet Ropiha
LL Minor	Lynx	Owen Thwaites	Rocco Griffiths
LL Minor	Snow Leopards	Sam Cannon	Lillie Bellis
LL Major	Lions	Harrison Murphy Harley Gibson	George Jarrett
LL Major	Falcons	Kaden Cupp	Ben Mooney
LL Major	Condors	Dan Atkinson	Kian Salameh
JL	Eagles	James Lander	Cameron Yeomans
JL	Hornets	Will Braund	Garrett Schaper
SL	Tigers	Jaylen Salameh	Max Austin
SL	Panthers	Jared Cupp	Daniel Mills

**Individual Awards** 200 Game Awards: Harry Coddington, Jackson Taylor, Gabriel Clement, Austin Holly, James Peel, Garret Schaper

The games award trophies for each team were then given out by the Team Coaches/Managers to each player.

David Gledhill recognised the 20/21 Representative Players from MSBC

**Item 12: Club Presentations:**

**Life Membership** No recipient this year

**Club Person of the Year**

**(Tom O'Connell Trophy)** Paul Lidgard

**Coach of the Year**

**(Peter Bemrose Trophy)** Mark Gibson

**Item 13: Presentation to David Gledhill, outgoing President**

David was recognised and thanked for his service to the club

**Meeting Closed:        The AGM was declared closed by David Gledhill at approx. 3.30pm**

## Acting President's Report 2021/22

Thank you all for being a part of what was a very tough season. We started off thinking that COVID 19 was going to make it hard to get games on but who knew that it was the constant rain that we have had that put a halt to so many games throughout the season.

It's a real credit to the whole club that the numbers remained so high given the obstacles in the lead up to the season, but there are going to be some even more challenging years ahead to continue the growth that was so consistent over the last 6 years prior to this season.

Thank you to the committee for their work throughout the season and for those stepping down this year – Nicole and Ruth, I thank you for all the hours of work that you have both put into the club over the last few years as Secretary and Registrar.

The sponsorship provided from CHUBBS at Brookvale was truly amazing and the club is so grateful for their continued support. The awesome training shirts were fully supplied by CHUUBBS as well as the player of the week awards. Please support this fantastic local business as much as they support us. Fantastic food and a great place to be. Thanks CHUBBS.

There was some very notable success for four of our junior members this season with Zac Morris, Dan Mills, Luke Donaghey and James Lander all being selected for the NSW Under 16 showcase squad over summer. It will be fascinating to watch the future paths of your baseball careers. Congratulations also to the 22 Seasideers that made their respective Manly teams for All Stars. Good luck at your future tournaments.

To all the coaches and managers that offered their time each week into making each team a great as it was. It was a pleasure to see every team having such an enjoyable time as I walked around the grounds each weekend. Well done to you all.

I would like to also acknowledge some juniors that put in their own time to help out the club or teams throughout the season. Thanks Dan Mills and Austin Holley and Harley Gibson.

Lines and ground set up each week was proudly done by Paul Lidgard, Gav Cupp, Mark Gibson and Sharon Morris. Once again the canteen was successfully run by Paul and Julie. Thanks.

Finally I ask you all to consider being a part of the running of the club for next season. There are a number of current committee members that are moving on either this year or next and the club is in need of many new hands in transitioning forward. Please speak to one of the current committee today about what you are able to bring to the club.

**David Gledhill**  
**10 March 2022**

## Treasurer's Report 2021/22

The club's financial statements for the year ending 28<sup>th</sup> February 2022 are attached.

As of 28<sup>th</sup> February 2022, the club had net funds of \$79,063.48 which is \$8,116.03 more than last year and includes allotted funds of \$35,000 to the building fund.

As usual, the total assets represents cash funds and does not take into account the other assets owned by the club including equipment, uniform inventory, and team kits and other physical assets such as the BBQ, signage, maintenance gear etc which are not recorded on the balance sheet, as they have been expensed on acquisition.

It was a difficult year for the canteen with the compressed season and weather disruptions, but it was still able to make a meaningful financial contribution to the club. Thanks again goes to the Gunnings for the smooth running of the canteen, and everyone in the club who patronise the canteen after games.

I would like to thank our sponsors CHUBBS, Display Solutions, Balgowlah RSL, Bendigo Bank Freshwater, Artifex Interiors, and All Sports Apparel. Your support is much appreciated.

I would particularly like to call out CHUBBS for their generous sponsorship of the new training shirts (they look great!) and the great food at today's AGM.

Some of our sponsors have been doing it tough over the last two years, so I'm sure any support club members can give them would be greatly appreciated.

I would also like to thank my fellow Committee members, and all the parents who have helped their team or the club in some capacity during the year. We do have some vacancies of club positions opening up, so I would encourage anyone interested to put themselves forward.

I hope everyone had a great season and hope to see everyone again next year.

If anyone has any questions, please ask at the AGM or otherwise contact me.

## Team Reports

### Kites U9 Teeball

<b>Coach</b>	Jesse Casellini
<b>Manager</b>	-

The Kites were an absolute joy to coach this year. I was extremely impressed with their attitudes, effort, coachability and desire to learn week in and week out. It was amazing to watch each individual player focus on the skills they needed to improve upon and with the help of all the parents we were able to put together a great season. This team displayed a never ending positive attitude and competitive spirit in good weather, bad weather, home games, away games, and everything in between. It was so much fun to watch them cheer each other on and focus on some of the smaller aspects of the game like getting outs, hitting line drives and running hard.

**Jack** showed tremendous improvement this year both in the field and at the plate. He capitalized on the skills he learned last year and took his game to the next level.

**Jude** was the youngest player on the team and probably the youngest player on the field this year but that didn't hold him back at all. Jude's smile and effort propelled him forward and he's going to make an excellent teammate in the coming seasons.

**Tobi** displayed another level of talent this year by building on last year's success. His tremendous ability and focus made him a shining example of what we expect of our athletes. Tobi will continue to get better and better.

**Luke** made significant strides as the season progressed as noted by some of his late season heroics. His enthusiasm was unmatched and desire to succeed made him stand out from the rest.

**Desi** was a joy to watch in the field and at the plate. Desi's strong arm and plate discipline made him a leader on this team of excellent players.

**Flynn** came to the plate ready to play and showed us what being a teammate is all about. He was always willing to play any position with the focus and intensity you'd expect from any top player.

**Enzo's** experience playing baseball allowed him to get off to a fast start this season with some big hits in the early games. We could always count on Enzo to bring a fiery spirit, competitive edge, and flashy cleats to every game.

**Rocco's** athleticism set him apart from the pack and allowed him to set the tone for us against our top opponents. He consistently put the ball over the head of the opposing infielders and was a stalwart for us at first base.

**Kyedan's** improvement at the plate was wonderful to see. He took instruction very well, made adjustments, and executed in games. It was a pleasure to watch Kyedan focus on these changes day in and day out to become a better player.

**Ryan** was a completely different player from the start of the season to the end. He came in with a great attitude every day with a desire to get better and this paid off in the end. We saw this both in the field and at the plate and are looking forward to seeing Ryan improve season after season.

**Gray** made us all smile at each practice and game. What made us all the most excited was seeing him get a big hit or make a great play from the field. His speed on the bases may be his greatest strength but his focus on being a great teammate is what our team benefitted from the most.

A big thank you goes out to all of our parents this year! I relied on all of you a ton as we managed schedules, COVID, and the weather. I couldn't have done it without you all.

Go Kites!!!!

Jesse Casellini

## Seagulls U9 Teeball

<b>Coach</b>	Tim Stefl Assistant Coach: Pete Brannan
<b>Manager</b>	

Although the start to the season was a bit delayed due to COVID, the Seagulls hit the ground running and were excited to make up for lost time. The team included several players without prior teeball/baseball experience. I only hope that the kids had as much fun playing and learning the game as we did coaching. It was a lot of fun to see the rapid improvements that every player made over the course of the season.

The kids were very much station-to-station teeball both offensively and defensively initially. As the season progressed, they learned when to take the extra base offensively. On defensive, the kids were always focused to try to get outs, but learned where to make the play. More than anything else, the team rooted for each other defensively.

**James** – James has the eye of the tiger. He is a tremendous competitor and always wanted to be where the action was. Every though he was one of the younger Seagulls, James always attacked the ball with fearlessness.

**Will D** – Will made great strides during the season. His throwing and catching improved dramatically after a few trainings and he is always willing to play a new position.

**Lucas** – Lucas was a great example of the importance of practice. His catching improved so much over the course the season and he contributed to many superb defensive plays.

**Auggie** – Auggie has a sweet left-handed swing and his bat is ready to unleash great power. As the consistency comes, the sky is the limit for his hitting.

**Noah** – By the end of each game, Noah was the batter that had the other team taking a couple steps back every time he came to the plate. He was usually good for multiple deep shots to the outfield every game. It will be exciting to watch as he continues to hone his skills.

**Max** – Max has a quiet confidence on the field. He is quick to the ball and makes speedy decisions on the field understanding which base to throw to in every situation.

**Flip** – Flip quietly has the best hands on the team. She is a tremendous fielder and stops anything hit or thrown her way. Flip's listening skills were a huge help and appreciated by all of the coaches. Flip has the unofficial award for catching the highest pop-up.

**Daniel** – Daniel was always eager to work on his catching. He was a great listener at training and worked to improve every single week. I enjoyed watching his confidence grow throughout the season.

**Harper** – Harper made big improvements as a hitter throughout the season. Harper is eager to learn and has a promising baseball future.

**Hayden** – Hayden has a great energy for baseball. He always wants to be a part of every play and works hard to always be in the right position. His brings his A effort every week.

**Ollie** – Ollie was one of the younger Seagulls and has a bright future. He had a great attitude every training and worked hard every week.

**Will S** – Will brought a positive energy and enthusiasm to the field every week. As another youngster on the team, it was so encouraging to see his progress from the beginning of the season to the end.

**Evan** – Evan joined the team after the holiday break and brought a lot of energy. Evan improved quickly in a short amount of time and soaked up the rules of the game like a sponge.

The team would not have been nearly as successful without the help of so many parents that helped with so much and were always willing to step up when needed. It is a great group of parents and makes it easy to understand why the kids are so coachable.

Go Seagulls!

**Tim Stefl**

**Coach**

<b>Eagles</b> <b>Zooka</b>	
<b>Coach</b>	Andy Thiss
<b>Manager</b>	Carolyn Bergin

The team improved very much over the year. We had some great wins, once where we came back from 8 runs. It showed great team works and the willingness to never give up. It was a great group of kids and parents. Also like to thank Micah as he was a great coach. Most of the kids plan to return next year and I am looking forward to it

**Grace:** was very much improved especially with her swing later in the year and made some good defensive stops through the year.

**Sage:** missed a bit of the season with a family trip but really had fun learning the game, she get got a hit in the last game and was fun to have on the team

**Sammy:** is quite a good catcher and has a really good developing swing. He has good baseball sense and a very strong arm.

**Luke:** has a strong swing and good baseball knowledge and quite an aggressive base runner.

**Max:** improved lots over the year and made some impressive plays at 1<sup>st</sup> base in the filed. His onbase percentage is high and he really had fun this year.

**Killian:** improved lots over the year and made some impressive plays at 2<sup>nd</sup> base in the field. His on base percentage is high and he really had fun this year.

**Dara:** had fun this year great to see this throwing improve through out the season. Work on swing next season.

**Tom:** improved and has a good baseball mind. Throwing improved and swing got better and he really enjoys baseball

**Gil:** was great to have on the team and really likes baseball. Had a great hit and run of the bases in the last game.

**Lawson:** was one of the most consistent hitters on the team I believe he got on base 11 at bats in a row. Good swing and hand eye coordination. Very good improvement in the year and easy to coach.

**Harry:** his swing improved drastically over the season and had some great at bats later in the year. He also has a good game knowledge and his head is always in the game.

**Josh:** had fun this year, and improved very much over the year and had a good hit in the last few games. Great to see him running the bases.

<b>Pumas</b> Little League Minor	
<b>Coach</b>	Mark Gibson Assistant Coach: Chris Augustyn
<b>Manager</b>	Stephanie Lidbury

Well, as my dear old Dad used to say; “There’s no such thing as bad weather, there’s only weather”, and gee haven’t we had some weather!

An even more disjointed season than the last embraced our little Pumas as they made the big step up to “Live pitch” baseball, and the inaugural season of the experimental hybrid Zooka/Live pitch format. Midweek games became the norm, and the kids stepped up and did their club proud, despite the adversity.

We’d been practicing our pitching throughout our final year of Zooka, so we had many confident young Pumas ready and keen to get on the mound and throw some heat, and they didn’t disappoint. Everyone had a go at the new skill set, and many found their new favourite baseball position!

The first half of the hybrid games are run under zooka rules, and our well-honed batting skills off the zooka machine was on show all season – our experience giving us a lead after the zooka component in pretty much every game. We did however find a big learning opportunity in batting against a pitcher, as we often found difficulty in waiting for the right pitch and getting bat on ball consistently (....we’ll work more on that next season...).

So, at the end of the regular season, the table tells the story that we were the 3<sup>rd</sup> best team in the league, and that is probably a fair reflection in such a competitive age group. This placing earned us a spot in the semi-final against the 2<sup>nd</sup> place Warringah team (our nemesis for 3 years now!!!), and it didn’t disappoint – ending up as the closest game of the season yet!

The crowd was energized – they all brought seats, but they only needed the edge! We battled hard the whole game; held a 3-run lead into the pitching half and came painfully close to winning only to eventually succumb 13-12 in sudden death extra inning. We

may have lost the game, but every one of the Pumas was a winner that day – agreeing that being a part of a block buster game like that is way more fun than winning by 10! Everyone contributed in an absolute Barn Burner, and we walked away proud of our effort, dipped our caps to the boisterous crowd, and vowed to go one better next year!!!!

Scores and victories have never been a major focus, or a judge to measure success - it's just a fortunate by-product of working hard, supporting your teammates, and having fun. I've always said that as a coach, a "successful season" can be measured by; Did the kids have fun, did they develop their skills, and will they come back next year. I know we ticked off the first two boxes, and I am confident that the 3<sup>rd</sup> will follow, so I can honestly say that for the mighty Pumas, season 2021/22 was a roaring success!!!

Go Pumas!!!

<b>Wildcats</b> <b>Little League Minor</b>	
<b>Coach</b>	Brenden Donnelly Assistant Coach: Richard Apps
<b>Manager</b>	Brenden Donnelly & Richard Apps

This season was filled with emotions, the highs of winning, the lows of losing and the lesson that “baseball is a game of failures” but from that it teaches us resilience in the long run. The Wildcats is a team full of plenty of raw talent, it took a while for us to figure out how to harness that and work together as a team. We proved that when the team communicated and stayed focused, we played our best and put up some good battles against the best teams in the group.

We welcomed four new players to the side with three of them picking up a baseball for the first time. Congratulations to Flynn and Leo who made the Rookies Cup representative side for Manly. Choosing the coaches award was another tough task, every player could have earned this for different reasons. Thank you to all the parents and helpers who made the season possible, special thanks to Angela our scorer, Adrian for umpiring, and Deanna, Rob and Brad for filling in.

Brendan & Richard

**Leo Anderson - Coaches Award**

From the very first pre-season training Leo has been switched on and eager to learn. He is a very committed player and it's evident he puts the extra work in at home. Leo is a great catcher and this season he was introduced to pitching with some solid outings where he dug deep to find his inner strength. Leo is also a big help with setting up and packing up equipment. Advice for Leo is to breath, relax and believe in the process. It's been a pleasure to have you join the team. Congratulations Leo!

### **Isaac Watson – Players’ Player Award**

The players player award saw very close voting between four players, with Isaac winning by one vote. I always encourage the team to stay focused by cheering on their team mates in the who are up to bat and if there’s one voice that is consistent every week that’s Isaac. He shares his excitement when his team mates make an out in the field and he has also become a very reliable catcher. Isaac drove in many runs during the season even if he was thrown out at first base, by the end of the season Isaac was finally understanding that a sacrifice out for an RBI is nothing to get upset about. Congratulations Isaac!

### **Flynn Donnelly – Most Improved**

Flynn had his best season yet, a newly found attitude to training and he found his voice on the field calling the plays. Flynn was one of our most reliable pitchers this season before we rested him with a shoulder injury then unfortunately missed the final game with a broken wrist. If he’s not pitching he loves first base and he’s one of the teams most reliable batters. Congratulations on making the Rookies Cup, it was well earned and a lot of hard work. Advice for Flynn is to keep up the hard work, continue to swing the bat during the off season to build up bat speed and strength. Great season Flynn!

### **Aengus O’Hagen – Mr Reliable**

Aengus once again had an awesome season, he’s always a pleasure to coach and watch him grow as a player. I don’t need to see the batting averages to know that Aengus is the most reliable batter on the team, and he is now backing that up with some bigger hits. Aengus loves to play second base and his knowledge of the game continues to improve. It was great to see Aengus try out for the Rookies Cup, where he put in a great batting performance, my advice is to keep working on your throwing strength and fly balls. Don’t cheat the throw, reach all the way back and come back stronger next year. Well done Aengus.

### **Cooper Apps – The Late Season Bloomer**

Cooper has a tonne of raw talent that he likes to keep secret and let out on selective occasions. During the Zooka half of the games he’s great at the pitching position where the task of feeding the balls keeps him focused and he’s made some great plays on come-backers. I loved seeing Cooper find his confidence and finishing the season batting close to 1,000 over the last three games. My advice to Cooper is believe in yourself because the rest of us can see your talent.

### **Noah Richmond – Mr Slugger**

Noah has come along in leaps and bounds this season, he has switched on a newfound confidence in the batting box which is evident with the joy on his face. Once upon a time it was hard for Noah to keep his attention at training but now, he has used his maturity and voice in the team to get others to pay attention. If you have loaded bases and Noah is in the box you can bet there’s a few fingers crossed he delivers on one of his powerful swings. I can’t wait to see Noah’s improvements continue next year. Well done, Noah!

### **Dougie Nicholson – Mr Fire Cracker**

Dougie is an exciting player to watch bursting with energy, always reliable behind the plate and keen to have a go at any spot on the field. He has a great swing in the batters box and aggressive base running. I’d love to see Dougie step it up at training and take his raw talent to the next level. With a little more focus and working on his game knowledge he will be a future star. Great season Dougie.

### **Jet Ropiha – Pitching Ninja**

After Jets first season of baseball last year this season he lacked the same energy through the start of this season until we put a ball in his hand and asked him to pitch. Jet has a surprising good fastball for his size, he really came alive and focused while pitching at training and in the game. Jet had a few great clutch hits during the season with a memorable shot over second base scoring two runs. I’d love to see Jet keep working on his pitching, he’s definitely a player who understands the game and makes adjustments when needed. Good job Jet.

### **Presly Harrower – Improvement Plus**

This was Presley’s first season with a lot to learn and learn he did. Presley was great to coach and asked a lot of good questions. Unfortunately, just as Presley was finding his feet, he was hit by covid missing some games toward the end of the season followed by all the washouts. But he came back to have a fantastic game to end the season. I’d love to see Presley keep working on his skills through winter and return next season to keep learning. Advice to Presley is to use the full length of your arm to throw and drop the bat when you hit, you’ll run ten times faster! Well done Presley.

**Jake Byrne - The Ball Destroyer**

Jake was another rookie Wildcat with heaps to learn with both mechanics and game knowledge. Jake improved each week, with his fielding and batting skills as well as his game knowledge and will continue to get better the more work he puts in. Jake also demonstrated great resilience after a nasty batting accident where the foul ball came off the bat and split his cheek and fractured his nose, (you should have seen the state of the ball). Jake bravely returned two weeks later and the team was very pleased to have him back. Jack has lots of potential, I'd love for him to keep up his throwing and batting during the offseason and return next season. Good work Jake.

**Ethan Byrne – Pitching Prodigy**

Ethan our final newcomer to baseball and the Wildcats also had a lot of raw talent that needed harnessing. Ethan had some great catches in the outfield and solid hits, with more work at training we will turn those into more consistent events next year. Ethan really found his place on the pitcher's mound finishing the season with some solid outings. Keep working on those pitching mechanics Ethan and let's continue the momentum into next season. Well done Ethan.

<b>Lions Little League Major</b>	
<b>Coach</b>	Darren Scott Assistant Coach: Ravi Rudner
<b>Manager</b>	Jaquita Britton

Cracking year for the Lions... What a great group of boys! Each and every week the Lions turned up full of energy and enthusiasm, supporting each other and having fun. That also extends to the parents, which is no mean feat, given the 730 warm up start. Whether we were down 10-0, 1-1 tied or leading, the mood was good, the optimism endless and a ringing chant of "Be-aggressive, Be-Be-Aggressive" coming from the dugout, as each of the boys went up to bat.

Pitching came from a multitude of players. Solid starters including, Charlie, Oscar R, Matty Brown. Middle section relief from Oscar S, and Manu. Closing from Toby and Rocco.

4 baseball newbies this year. Jaxon, Oscar L, Joseph and Manu all joining the ranks. Each of them made huge gains in both confidence and skill level with consistent hitting from all... including our ex-cricketer Manu, pulling and cover driving some fantastic shots during the year.

Catching duties split between Owen and Rocco for the year, with Matty Brown jumping into the role at the end of the year and showing some real potential.

Some highlights from each of the boys include: (let's start with the Oscar/Oskar(s))

**Oscar "back fence" Scott** – the wild thing was back in the pitching circles this year. With left hand pure speed pitching, Oscar either struck them out, hit them, or scared everyone in the general vicinity. Huge potential for next year in the pitching

ranks. Couple of solid outfield hits this year combined with some acrobatics in the field, some awesome throws to home, all made for consistent entertainment on a Saturday morning.

**Oscar “Quiet Assassin” Rudner** – was our rock at pitching for most of the year, as we could count on him for 2-3 solid innings. No fuss, over the plate strikes! The quiet assassin mode extended to the infield as Oscar R nearly pulled off a no assist triple play at short stop. Catch, tag, run to second for a second tag... only to be called up via a technicality on the last tag. Would have gone down in lions, sea-sider history.

**Oskar “Hawk Eyes” Lee** – first year player but some of the best hand eye coordination in the team.. consistently putting bat to ball and sprinting it out to first. That wasn’t Oskar’s only way to get to first base though, as he took a couple of solid hits to the body this year while in the batter’s box. Way to keep that on-base-% up Oskar!!

**Dash “yep, ok” Weck** – “Dash, can you lead off?”.. “Dash, I might get you to pitch”... “Dash, can you play third base?”. “Dash, out to left field”... “Dash, don’t stress if you get hit... just go to first’. Dash just ran with it. Consistently won our points score competition in practise, with combined throwing, catching, fielding and pitching, meant that he could pick his slot in the line up. Usually clean up hitter, #4. Nice one!

**Rocco “Be-Aggressive” Griffiths** – was our left-hand batting strike force this year. Rocco is clearly a morning person as would often come to games with so much raw energy and aggression, I’d wonder what he’d been up to the night before! Even as the last innings was winding down, chants of “I’m going to smash this” ... was ringing in the warmup batter’s box. This combined with fearlessness when catching behind the plate, made for a real energy boost to the team.

**Manu “Lets put the shift on” Brosseau-Hogan** – Manu was rookie of the year. Strong batting, accurate pitching and a good team attitude added tremendous strength to the Lions, but it was Manu’s fielding that was most memorable. As a throwback to Manu’s cricketing days, he decided to move and join Oscar Lee between first and second base, when a left-handed batter came up. Ravi and I were sipping coffee and chatting about “strategy” and missed this shift, only to see it come to fruition when our lefty batter hit it straight at Manu for an out at First. Great baseball all round! ☺

**Matty “Put me in coach” Brown** – if Matty could play 3 positions at once he would, such was the enthusiasm and for that matter, the talent. Matty did pitch, throwing 7 pitch 3 out innings one day... barely allowing Oscar and Oskar to stroll out to the outfield. Matty did catch. First time behind the plate this year but was soft in the hands and strong arm to throw out the runners. And Matty did bat... occasionally as lead off and more than likely finding his way onto first base where he’d toy with the field as he stole to home.

**Jaxon “The Axe” Khashoggi** – another sensational rookie year... made right field his own this year, often combining with his buddies Oscar S and Oscar L to rule the outfield. Jaxon took a mid-year break to visit the homeland in the USA, and scout for some bigger money than the Lions could offer. Fortunately for us, he returned to our shores and finished off the year in grand style with some solid hitting.

**Charlie “the rock” Melov** – rookie pitcher of the year, Charlie Melov, was a sensation on the mound. Improved control and pace ensured the Lions always had two solid innings before handing off to our middle relievers. Charlie extended that control to first base providing a safe pair of hands and an imposing presence for anyone trying to beat it out to first.

**Toby “Deep fly to centre” Kick** – achieved the hit of the season out to deep centre. The unassuming Toby consistently underplays his batting strength, often ensuring all that he plans to walk to first .... before unleashing a silky swing. Toby also was initiated into the pitching ranks this year with a couple of solid innings in close... more from Toby in this area next year.

**Owen “Don’t you dare” Thwaites** – was our starting catcher. Soft hands and death stare to anyone thinking about running on a pass ball or trying to steal home. One of the best hitters in the team, Owen consistently got to base and LOVED stealing home...which he did often and successfully..

**Joseph “No fear” Featherstone** – First timer. No fear. Great pickup to the Lions ranks. Joseph has gone off to pursue his career in the majors, moving to the USA at xmas but his memories and enthusiasm made a big mark for the year.

Last but definitely not least, it takes a village to run a baseball team. Parents and coaches where always forthcoming for support, whether that be training, scoring, oranges, car pool or brining coffee for these early starts. Particular call out to Ravi Rudner as Assistant Coach and to our wonderful manager this year, Kirsten Weck. Both did such an amazing job.

Andrew Thwaites : First base coach, always at practise... great team support

Brian Weck / Sadie Melov: Scorers

Marieke, Neil, Kirrily, Jacinthe, Kellie, Verena ... everyone chipped in in some form and it was greatly appreciated.

## Condors

### Little League Major

<b>Coach</b>	Suhail Salameh
<b>Manager</b>	Kirsten Hamilton

The Condors had a great Season, they won some and lost some. The players were devoted to their sport and really enjoyed their game. The team developed a lot important skills with the assistance of 4 coaches, Leela, Deon, Jaylen and myself with Jaquita the manager of the Team.

Kian Salameh – Was one of our main pitchers in the team, played short stop and was the complete package. He was voted as the players player.

Jake Loughnan – Was also one of our main pitchers, a devoted player and great skills playing in the infield. Jake is passionate and enthusiastic when it comes to baseball.

Sam Cannon– Is an all-rounder who played catcher for most of the season. He demonstrated great batting skills with great eye-ball coordination and able to play in most positions.

Toby Morse– Played first base, a great batter and a real team player. Toby even field in as catcher when needed with a great attitude to the sport.

Leo Makhoulf – Started off playing Third bases and as the season progressed he showed interest in playing catcher.

Archer Mathews -A great batter who is able to get on base. Archer played first base, short stop, and even a pitching stint.

Sam Malseed – As one of our smallest players on our team was able to get on base. Sam mainly played second base and started to develop skills as the season went on.

Luka Matwejev– was injured for the first half of the season but came back in the new year. Luka also had a pitching stint and mainly played in the infield.

Harvey Graham – Played mainly in the infield and was also was one of our pitchers. Harvey has a good attitude for the game and will go a long way.

Tom Irvine – had a slow start to the season but as the season progressed so did Tom. Tom would be rated as the most improved player for the condors and closed the season playing third base.

Luke Bruen – The rookie of the team showed great enthusiasm. A fast learner with great ability. Luke played second base as well as in the outfield.

Ruben Thomas – Was one our catchers during the season. Ruben has a good batting style and able to get on base.

Hopefully the team enjoyed the season as much as I did. Hope to see them there again next baseball season.

## Falcons

### Junior League

<b>Coach</b>	Gavin Cupp Assistant Coach: Paul Lidgard
<b>Manager</b>	Geoff Mooney

It has been a pleasure & privilege to be a Seaside's coach for another season.

A huge congratulations to the Seaside Falcons finishing second in the JL regular season.

Both Seaside JL teams took out the top spots in the league which gives us great confidence moving forward.

A special thanks to Paul Lidgard for being my right hand, our manager Geoff Mooney and all the parents, thanks for an awesome job. To everyone who helped score, pitch count, base coach, and help keep the boys organized in the dough out, Thank You.

The Falcons & Hawks had a combined training session on Tuesday afternoon, Thanks to all the coaches and parents for your support.

As a coach, it's about everyone having fun, training hard seeing the results on game day. In the first half of the season, everyone moved around playing various positions and worked on improving their knowledge of the game. All the boys showed great improvement and we finally got the bat working which lifted all the players confidence. Great work Team.

Our Team for 21/22 was, Kaden Cupp, Oliver Ford, Harley Gibson, Zander Highland, Nathan Kemmers, Liam Lidgard, Seb Matwejev, Ben Mooney, Oliver Nunn, Talon Shirley, Lawson Tyrell, Lewis Warby and Monty Buckley.

A huge thanks to all the boys, I am extremely proud of you all.

See you next season.

Lastly a big thanks to our president for his support throughout the year.

## Hawks

### Junior League

<b>Coach</b>	David Gledhill Assistant Coach: Dean Murphy
<b>Manager</b>	Tracy Gawthorne

The Hawks Junior league side was a mixture of many different combinations from previous years.

Players came together from across 3 different LL Major teams as well as players playing their second year in Junior league and a coach that had not coached any of these players before but I think we have gelled really well and I have had a fun time throughout the season.

Its been a bit of a steep learning curve for those new to Junior league with all the new elements involved in live ball, but that's what makes baseball so exciting. Its also been very pleasing to watch the older players taking on the leadership roll (even though some of those warm ups were pretty rushed!!!)

So far the season has been extremely successful with the Hawks a certainty to make the finals series in what was a really close competition with every week being a close game including a memorable mid-week thriller that came down to the last seconds of extra time and loaded bases but the play was confidently tidied up by Dan with a solid catch in deep left field.

The 2021/21 Hawks were:

Ben, Chase, Christopher, Dan, George, Harrison, Hudson A, Hudson C, Hugh, Oscar, Owen, Rhys, Sienna And Zach

Congratulations also go to Sienna for making the Manly Junior League All Star Team.

It was a large flock to control but the help at training and games from Assistant Coach Dean made this an easy feat, Thanks.

Thanks to Tracy for managing and also I think every parent has had a go at scoring or pitch counting at some point in the season which is truly amazing. Thank you all.

Thanks also to Gav and all the parents that assisted from the Falcons for your help at the JL trainings.

See you all back on the diamonds again next season.

David Gledhill

## Hornets Senior League

<b>Coach</b>	Jared Cupp
<b>Manager</b>	Guy Holley

A big congratulations to the Hornets for finishing the regular season in second place. The Seasiders look like occupying the top three spots in Senior League at the end of the regular season, which will make a very competitive but fun finals series.

This is a great result and shows that all three teams have continued to improve over the course of

the season. I would like to thank all the parents who have helped, in particular on game day as I couldn't attend training sessions. Hopefully the players learnt a lot and had a bit of fun.

Our team for 2021/2022 was James Peel, James Lander, Ryan, Austin, Oliver, Sophia, Gabe, Reilly, and Nick. We only had the nine players but had a little help along the way with a few players filling in as required.

Thanks for this.

Whilst the finals are still to play out, the team has worked hard with all players contributing, especially with the bat, ensuring we had some great individual moments for all our players and the team as well. Our last win against the Seaside Panthers was a great example of this.

They are a pleasure to coach, and I have had a great time being involved.

Special mention to Guy for all his chasing up, scoring, pitch counting, setting up the fields and helping warm-up players each week. President Dave for his energy & effort in all he does for the club, including at our training on Tuesdays. Also, a big thank-you to all the parents for participating and driving the kids all over.

Jared Cupp

Coach

<b>Panthers</b> <b>Senior League</b>	
<b>Coach</b>	David Gledhill Assistant Coach: Shane Flew
<b>Manager</b>	NA

This was a strange season to end most of your junior baseball careers on.

What started off with a wash out ended with many wash outs!!!! Hopefully as you read this we have managed to play at least some finals series games.

This year's Panthers was a nice small easy to manage team with only 8 players to start with : Cam, Cooper, Dan, Dom, Ewen, Harvey, Kane and Tom, I then convinced Sienna to help us out for a game and she was in for the rest of the season.

Highlights for the season so far have been the inside the park home run by Cam, Some incredible pitching from Dan (and picks of runners at 2<sup>nd</sup> when put in as catcher) and Improved hitting from the whole squad.

In a recent week's game, Tom did what coaches have been on about time and time again for all players to get their body behind the ball but unfortunately even with his protector on he was put out for the rest of the game with a solid hit to the groin region but got the out. Doing it for the team!!!

Congratulations to Cam, Dan and Kane for making the Manly All Star team and further congratulations go to Dan for his selection in the NSW under 16 squad.

Thanks go to Greg Donaghey from the Tigers for once again coaching with me again on Monday evenings and Shane for coaching with me on Friday evenings.

Thanks also to Ali, Linda and Al for scoring and pitch counting throughout the season.

After 10 years with this age group at the Seaside it has been a great time that I will always remember and I hope you have all enjoyed your time in junior baseball at the Seaside and hope to see you on the diamonds for many years to come.

David Gledhill

<b>Tigers</b> Senior League	
<b>Coach</b>	Greg Donaghey Assistant Coach: Suhail Salameh
<b>Manager</b>	NA

Firstly a big thank-you to all those that helped out with training, the games, coaching, umpiring, scoring, pitch counting etc. it takes a bit of effort to run a team & to get the boys to games, training etc, so well done parents. The help is appreciated. In particular Suey, Stu & Sean for jumping in to coach when I was away.

The team this year – Ash, Max, Harry, Oli, Luke, Zac, Cameron, Deon & Jaylen. Congratulations to Ash, Luke & Zac as part of the Manly Rep program.

Whilst the season was impacted by a bit of COVID but a lot of bad weather we managed to get most games played including a few catch up games on a Monday night. We currently are atop the ladder with the other 2 x seaside teams just behind indicating great talent at the club.

We had some players away & Max injured for part of the season, so other players from the other seaside teams jumped in and helped us out which was great.

A few of our games have really been close finishes and it is great to see some passion and pride in our performances, including Jaylen stealing home to seal one of our games. It is also pleasing to see the boys intent on hitting the ball and making the game exciting.

Well done to all the boys this year, it been a pleasure to coach them & I hope we finish the season off strongly.

Thanks Greg
